7.5 For bend races which are run entirely in lanes, lane assignments in rounds after the first round shall be based on competitors' performances at the most recent stage of the event and shall be as shown below. Where two or more competitors have recorded the same time at the most recent stage, those competitors may draw for, or mutually agree upon, the lanes involved.

Fastest	Lane 4
2nd fastest	Lane 5
3rd fastest	Lane 3
4th fastest	Lane 6
5th fastest	Lane 2
6th fastest	Lane 7
7th fastest	Lane 1
8th fastest	Lane 8

7.6 In track events longer than 1500 metres the Competition Director may restrict competitors to the two outer lanes if he/she considers other events will be unduly delayed by allowing the remaining competitors to use the inside lanes. This should be used sparingly.

7.7 Track relay events at OMA Championships, i.e. the 4 x 100m and Medley (800m / 400m / 200m / 200m) relays shall be conducted between single teams representing a Country, Territory or Group of island nations. The Competition Director or his/her delegate should be notified of the teams' composition two hours before the advertised start time of the relay.

Men: **Band 1:** 150-199 years **Band 2:** 200-239 years **Band 3:** 240 years & over

7.9 An athlete may compete in only one age band in the 4 x 100m relays, and in the Medley relays; however, these age bands may be different in each relay event.

7.10 The Competition Director of an Oceania Masters Athletics Championship shall appoint a suitably qualified Safety Officer with the authority to withdraw from competition any athlete whose continued participation in that competition would, in the opinion of the Safety Officer, endanger the athlete's health **or** does not meet the technical requirements of the event. The Safety Officer may exercise

his/her authority through deputies and both the Safety Officer and any deputies shall be clearly identifiable as such.

- 7.11 The Half-Marathon, 10 km Road Walk and 8 km Cross-Country events shall also incorporate 3-person teams competition between Countries, Territories or Groups of island nations. The competitions shall normally be held in following age-band categories, but which may be varied by Council, depending on entry numbers:

Women: W30 to 54 W55+ Men M30 to 49 M50 to 64 M65+

OMA SECRETARY NOTE – With the WMA change of the Cross Country for 70 + athletes to 6 K rather than 8 K these bands need review and approval at the next AGM.

- 7.12 The result for each age-band shall be decided by totalling the times of each team's first three finishers within that band. Each Affiliate or Associate shall be restricted to one team for each age-band. In each non-stadia teams event there shall be (besides the three individual awards for each age-group in the event) 3 team awards for each age-band for the first three 3-person team finishers. A team award shall consist of an award to each of a team's top three finishers.
- 7.13 Clauses 5, 6 and 7 of these By-Laws may be modified by the OMA Council in their application to a particular Championships.
